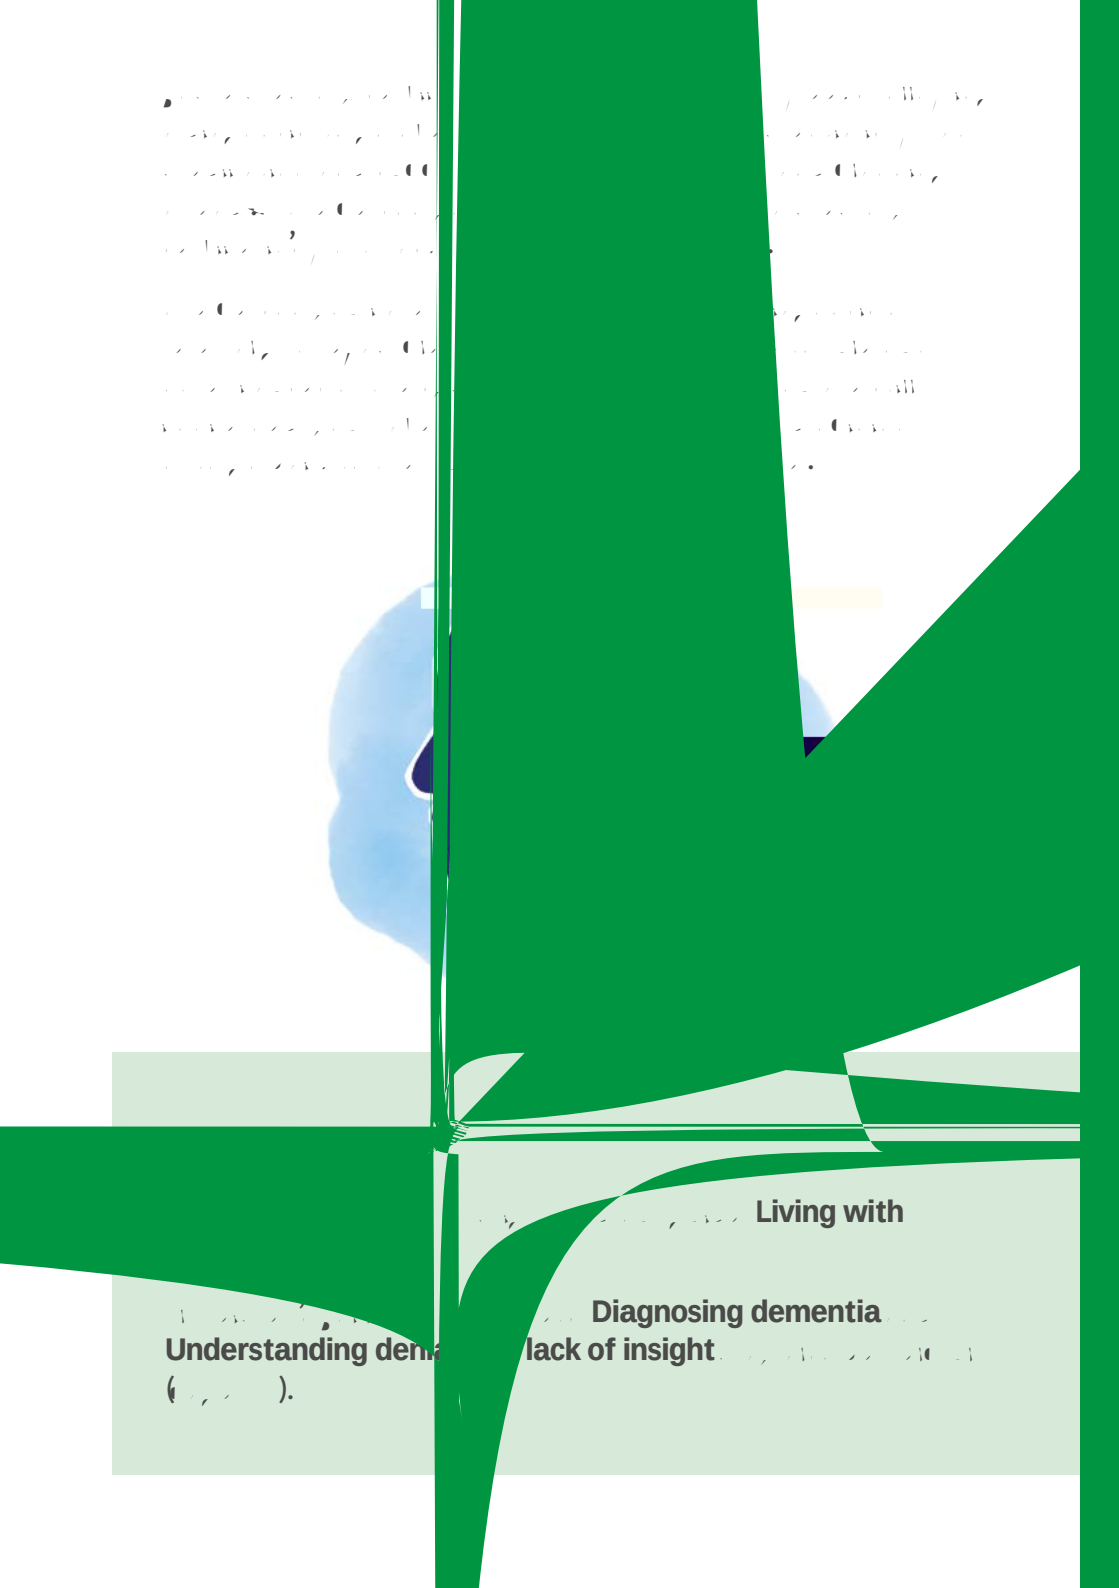
If you care for someone with dementia, this guide is for you.

Advice for carers.

Tracey, 43



Living with

Diagnosing dementia

Understanding dem lack of insight

( ).

Good to know

Being a carer can sometimes feel isolating and overwhelming. As a carer, you need support too.

[illegible]

[illegible]

There are lots of practical things that might be helpful – whether it's getting affairs in order, dealing with money or making changes at home.

- **Good lighting**
- **Helpful gadgets**
